

VISION FOR HEALTH

Malaysia is to be a nation of healthy individuals, families and communities, through a health system that is equitable, affordable, efficient, technologically appropriate, environmentally adaptable and consumer-friendly, with emphasis on quality, innovation, health promotion and respect for human dignity, and which promotes individual responsibility and community participation towards an enhanced quality of life.

MISSION OF MINISTRY OF HEALTH

The mission of the Ministry of Health is to build partnerships for health to facilitate and support the people to:

- Attain fully their potential in health.
- Motivate them to appreciate health as a valuable asset.
- Take positive action to improve further and sustain their health status to enjoy better quality of life.

SARAWAK STATE HEALTH DEPARTMENT

Our Vision

To be a leader in the provision of Quality Health Care in the nation.

Our Philosophy

It is the right of all Malaysians to achieve the highest possible health.

Our Culture

Quality Services and Product.

Cleanliness.

Community Participation.

Our Policies

Let us be "USER" friendly.

Let us keep our facilities clean.

Let us do our assignment right the first time and every time we do it.

Let people participate in improving their own health.

Let us be proactive.

Our Motto

Quality Service Makes A Difference.
